Annual minimum for ProTech is 150 hours per contract year or usage tier, whichever is applicable. To determine the annual minimum cost, multiply the applicable minimum Annual Usage hours by the applicable Years in Service Rate.

ENROLLMENT REQUIREMENTS FOR CITATION CJ1 AIRCRAFT

PROPARTS

An enrollment inspection is required and an enrollment fee (\$10,000 minimum) will be assessed.

TAPADVANTAGE BLUE

Engine enrollment requires payment for total time/cycles on engines at current hourly rates. For engines out of new engine warranty, an engine inspection is required (applies to all engines for TapAdvantage Blue).

PROTECH

Enrollment fees determined individually based on aircraft age, flight hours and aircraft history.
